Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Instructions for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 184 provides that an invention is not patentable if it is disclosed to the public in a printed publication, in public use, or in sale, more than one year prior to the date of the application for patent. This application is being reviewed for patentability under 35 USC 184. If the application is found to be patentable, the invention may be patented without a license. If the application is found to be unpatentable, the invention may not be patented. This application is being reviewed for patentability under 35 USC 184. If the application is found to be patentable, the invention may be patented without a license. If the application is found to be unpatentable, the invention may not be patented.
